You have no rights in any of the improvements or enhancements to the Software.

14.3 You agree that a material breach of this EULA adversely affecting Winmill's intellectual property rights may cause irreparable injury to Winmill for which monetary damages would not be an adequate remedy, and Winmill shall be entitled to seek equitable relief in addition to any remedies it may have hereunder or at law.

15. CONFIDENTIAL INFORMATION:

You shall not use or disclose any Confidential Information, except as expressly authorized by this EULA, and shall protect all such Confidential Information using the same degree of care which You use with respect to Your own similarly valuable proprietary information, but in no event with safeguards less than a reasonably prudent business would exercise under similar circumstances. 19. MISCELLANEOUS

19.1 This EULA, and any amendment or addendum to this EULA that accompanies the Software, is the complete and exclusive agreement between Winmill and You, and supersede all prior agreements, whether written or oral, relating to the Software provided and the Documentation. No additional or different terms in any purchase order or other similar document furnished by You will be binding on Winmill and all such terms are deemed rejected. This EULA may not be changed or modified except by an instrument in writing signed by a duly authorized representative of Winmill. If for any reason a court of competent jurisdiction finds any provision of this EULA or portion thereof, to be unenforceable, that provision of the EULA shall be enforced to the maximum extent permissible so as to affect the intent of the parties, and the remainder of this EULA shall continue in full force and effect.

19.2 The parties acknowledge that they have required the EULA to be drafted in English. In the event of a conflict between the English and other language versions, the English version will prevail.
